CANADIAN IMMIGRATION STATUS

Process already underway

- Express Entry (francophone stream) in progress
- TEF Canada C2 · IELTS C1 (operational bilingualism)
- Relocation fully prepared — committed family decision
- Available for a role within the coming months

What the employer needs to know

- File is **already active** — not starting from scratch
- Francophone stream accelerates processing
- Employer accelerates — does not initiate
- I walk every step — zero friction

WHAT I BRING

Deal acceleration

- Enterprise cycles — structuring & ownership
- POC, RFP, business value workshops
- Technical ↔ C-suite alignment

Operational bilingualism

- Native French · Fluent English (IELTS C1)
- Direct asset on francophone CA accounts
- Commercially adapted in FR and EN

Delivery & Transformation

- Project director — 1,500 person-days, 9+ FTE
- Agile, risk mgmt, contractual milestones
- Trainer, consultant, PSM1-certified

AI-native execution

- 4 production apps < 3 weeks each
- Multi-agent, RAG, tool-calling
- Accelerates demo, personalisation, delivery
